splashpanel
waterproof wall panelling

Designed for walls, Splashpanel is a stylish and cost effective alternative to tiles. Panels are 100% waterproof – making them perfect for showers, bathrooms and wetrooms.

proplas
panelling

Fast and easy to fit, with a range of stylish decors to choose from – Proplas panels are ideal for the walls or ceiling of any room. Pick the patterns and textures that suit your style and create the design you're looking for.

proplas
tile range

The Proplas Tile range offers two tile effect wall products with a choice of matt or satin finish, providing all the great looks of traditional tiling without the mess and maintenance – simply perfect!

WELCOME TO WALL TO WALL Waterproof Style

The 10mm thick cellular PVC structure of Splashpanel ensures the panels are hardwearing yet lightweight. The 100% waterproof panels create a fashionable and functional wall covering that's ideal for shower enclosures, bathrooms and wetrooms. Smooth and easy to clean, with no grout lines, the Splashpanel hygienic, non-porous surface provides excellent protection against bacteria and stains and is mould resistant too.

Grey Concrete

DECORS

The 10mm thick panels are 2400mm high and available in both 1000mm and 1200mm widths. They are easy to cut to size and fit by simply bonding to a flat subsurface or timber batten frame for a perfect finish.

Samples can be ordered at www.panelstyle.co.uk or by emailing info@panelstyle.co.uk

TRANSFORM EVERY SURFACE IN *Style*

With contemporary designs including sparkles and marbles, plus tactile matt textures and light reflecting high gloss finishes, Proplas creates a stylish look in any setting including bathrooms, kitchens and utility rooms. Proplas panels are ideal for walls and ceilings and can be simply fixed over existing surfaces like tiles or Artex. Note ceiling downlighters are not a problem with Proplas, as the product can withstand up to 60 degrees heat. Renovation and refurbishment made fast and easy.

CREATE A STUNNING LOOK WITH TILE **Style**

All the style of tiles – without the cost, fussy fitting, mess and maintenance. The Proplas tile range is a great value, great looking solution that's quick and easy to install. Ideal in wet and dry areas, it is 100% waterproof and available in two styles with a choice of either matt or satin finish. The surface is warmer than tiles and is durable, hygienic and very easy to clean.

The matt panels combine the latest trends for tactile materials, organic colours and natural stones, offering 5 contemporary matt finish decors, in a choice of widths and tile size, all with a realistic grout line.

The satin panels are wide and feature both a small and large format tile design, available in on-trend grey and rich neutral tones. Each panel has a smooth satin finish with a bevelled edge to mirror the appearance of real tiles.

Stone Graphite & Stone Grey

DECORS

Proplas matt panels are available in two sizes. Small panels measure 8mm thick x 250mm wide x 2800mm long and come in packs of 4 giving coverage of 2.8m². Large panels measure 8mm thick x 400mm wide x 2800mm long and come in packs of 5 giving coverage of 5.6m². Due to the staggered effect of the installed product, the average usable panel coverage is between 2.4m² and 2.6m² for small panels, and between 4.8m² and 5.2m² for large panels.

TECHNICAL INFORMATION

Fixing Options

PanelStyle PVC waterproof panelling is fixed by adhering the panels to an appropriately sound, flat and plumb subsurface. If the subsurface is uneven then a timber batten frame should be installed to create a suitable subsurface to adhere to. Full installation instructions are supplied with all products and are also available to download from www.panelstyle.co.uk

Care & Maintenance

All PanelStyle PVC waterproof panelling is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria and stains. PanelStyle anti-bacterial cleaner kills germs and keeps hard surfaces clean without scratching. **Please note:** abrasive cleaners and bleaches **MUST NOT** be used on any PanelStyle product.

5 Year Warranty

PanelStyle PVC waterproof panels carry a 5 year residential/domestic warranty against manufacturing defects. A full copy of the warranty is available to download from www.panelstyle.co.uk. Note installation of the product must be in accordance with the fitting instructions supplied as incorrect installation will void the warranty.

Fire Rated

Fire Rating tested to BS EN 13501-1:2007 achieving and F.R. classification of C,S3,D0.

This PVC product can be recycled at your local recycling facility
