Guardian Clever Click Luxury Vinyl Flooring

Traditional Look, Modern Design

High quality, stylish and versatile, our panels are designed to create the look and feel of natural marble, stone, brick and timber, providing a striking, seamless finish that is an easy to clean alternative to paint, wallpaper and tiles.

The wide range of colours and effects, from natural to more contemporary designs, means there is an option to suit any home.

Quick & Easy Installation

On average it is at least 50% faster and cheaper to install our wall and ceiling panels than it is traditional tiles, and our panels do not require specialist fitting as there is no need for grouting.

If walls are dry, clean and flat, then very little preparation is required before installation. Our panels can even be installed over existing tiles.

Trims and corners are available to compliment the range, completing the look and providing a professional finish.

“Better – easy to clean
